

# Mini-Kickers

Global Soccer Solutions is looking to introduce the fun and dynamic sport of Soccer to pre-school children throughout the El Dorado County.

Young children absorb information faster than at any other time in their life, meaning a change of environment and activity can increase learning capabilities and encourages good physical habits for later in life; making a weekly visit to a soccer clinic, the perfect partner to pre-school.

Your child will learn the very basics of controlling a soccer ball such as running with the ball and shooting. Through interacting with other children they will learn the importance of team work and making friends.

## Mothers Of Mini Soccer

While your child is enjoying the fun soccer games with our professional coaches, take advantage of our circuit training stations completely Free of Charge, at your own pace, and in clear sight of your children.

Our unique multi-station training, aerobic station, cardio vascular workout designed to burn calories and tone muscle, perfect for modern day mothers!
